ABOUT SKILL COUNCIL FOR GREEN JOBS

OUR VISION

To capture the skilling needs for both service users and manufacturers/ service providers within the sector and implement a roadmap for a nation-wide, industry led collaborative skills development initiatives that will enable meet India's potential for "Green Businesses".

ORGANIZATION BRIEF

Established on 1st October, 2015, Skill Council for Green Jobs is an autonomous body and registered society launched by the Ministry of Skill Development and Entrepreneurship to supplement the Skill India Mission for the purpose of developing competencies/skills in following domains:

- Renewable Energy
- Environment, Forest And Climate Change
- Sustainable Development

SCGJ an ISO 9001:2015 Certified emerging Skill Council is an industry led and industry driven organization which is promoted by the Ministry of New and Renewable Energy and Confederation of Indian Industry (CII).

Apart from undertaking skill gap analysis, developing National Occupational Standards (job roles), training and certifying skilled man power in its domain; SCGJ is focusing on Recognition of Prior Learning (RPL) in linked Industry & Entrepreneurship development specifically supporting "Rural Entrepreneurship" growth for sustainable development. SCGJ scope covers the entire gamut of "Green Business".
